## GENERAL INFORMATION

### **Our Dentists**

We are proud of the network of dentists we can offer you as an enrollee in the Los Angeles Prepaid Health Plan/LIBERTY Dental Plan. All of our participating dentists must meet professional standards for quality care and offer convenient practice locations throughout Los Angeles County.

### **Your Language**

Our Member Service Representatives have dental backgrounds and can assist you in the following languages:

Spanish, Vietnamese, Korean, Russian, and Chinese

LIBERTY Dental Plan Member Services Representatives are available Monday through Friday, 8:00 a.m. to 5:00 p.m. to answer your questions. For those who are visually impaired or hearing and speech impaired please use TDD/TTY line at 1-800-430-7077.

### **Free Transportation**

We offer door-to-door transportation service to and from your dentist's office. Please call Member Services at (888) 703-6999 to arrange for transportation.

### **How to Select a Primary Care Dentist and How to Seek Services**

You will need to select a Primary Care Dentist listed in this directory. Please indicate the Primary Care Dentist you wish to be assigned to by placing the four-digit provider number found above the dental office name on your enrollment form. The Primary Care Dentist you choose during enrollment will appear on your ID card. The dentists listed in this directory can provide a full range of general dentistry for you and your children. If you wish to change your Primary Care Dentist in the future, simply call our Member Services Department toll-free at (888) 703-6999. The change will take effect the first day of the following month.

If you do not indicate a Primary Care Dentist selection on your enrollment form, we will assign a dentist for you who is closest to your residence.

To receive dental care, please contact your Primary Care Dentist's office to schedule an appointment. If you need assistance in scheduling an appointment, contact our Member Services Department. If your Primary Care Dentist determines that you require the services of a dental specialist, your Primary Care Dentist will initiate the referral process with LIBERTY Dental Plan of California, Inc. If you seek services from any dentist other than your Primary Care Dentist or a dental specialist you have been referred to, you will not have coverage under this plan.

### **Emergency Care**

You have access to emergency dental care 24 hours a day. During regular office hours, you should contact your Primary Care Dentist. After business hours, you should first try to contact your Primary Care Dentist. If your Primary Care Dentist is not available, then you may contact our 24 hour answering service.

**Thank you for considering LIBERTY Dental Plan of California, Inc.  
We look forward to serving you!**
