Members must select, and be assigned to, LIBERTY Dental Plan contracted dental office to utilize covered benefits. Your dental office will initiate a treatment plan or will initiate the specialty referral process with LIBERTY Dental Plan if the services are dentally necessary and outside the scope of general dentistry.

Member Co-payments are payable to the dental office at the time services are rendered, and are subject to Out-of-Pocket Maximums. Pediatric benefits apply for Enrollees ages 0 to the age of 19. Adult benefits are not subject to Out-of-Pocket Maximums. There may be other costs incurred for optional, and non-covered services that do not apply toward Out-of-Pocket Maximums.

This Benefit Schedule does not guarantee benefits. All services are subject to eligibility, exclusions and limitations must be determined to be dentally necessary at the time you receive the service. Additional requests, beyond the stated frequency limitations shall be considered for prior authorization when documented dental necessity is provided as required by the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) benefit.

✓ Dental procedures not listed on this Benefit Schedule may be available at the dental office's usual and customary fees.

Pediatric Benefits - Children to the age of 191

Adult Benefits – Benefits for eligible members age 19 and over²

The Out-of-Pocket Maximum is the maximum amount of money that a covered Pediatric Enrollee can pay in copays for all allowable expenses, including orthodontic copayments, in any Plan Year. A single Pediatric Enrollee will have an out-of-pocket maximum of \$350. A family with two (2) or more Pediatric Enrollees will have a combined Out-of-Pocket Maximum of \$700.

Once the amount paid by all Pediatric Enrollee(s) equals the Out-of-Pocket Maximum shown above, no further payment will be required by any of the Pediatric Enrollee(s) for the remainder of the Calendar Year for covered services. Adult benefits are not subject to Out-of-Pocket Maximums.

Copayments made by each individual child for in-network services contribute to the Out-of-Pocket Maximum. Out-of-network services are not covered and do not accumulate to the Out-of-Pocket Maximum.

Only copayments for services provided by a contracted provider will count toward the Out-of-Pocket Maximum. Payment for services that are Optional, performed by a non-contracted provider, or that are not covered under the Policy will not count toward the Out-of-Pocket Maximum, and payment for such services still applies after the annual Out-of-Pocket Maximum is met.

Record of payment for covered procedures should be kept by the Responsible Party. When the Out-of-Pocket Maximum has been reached; contact the Customer Service department at 888-844-3344 for instruction on how to submit. Proof that the Out-of-Pocket Maximum has been reached must be submitted to the Plan.
