#### Pediatric Benefits - Children to the age of 191

#### Adult Benefits - Benefits for eligible members age 19 and over<sup>2</sup>

The Out-of-Pocket Maximum is the maximum amount of money that a covered Pediatric Enrollee can pay in copays for all allowable expenses, including orthodontic copayments, in any Calendar Year. A single Pediatric Enrollee will have an out-of-pocket maximum of \$350. A family with two (2) or more Pediatric Enrollees will have a combined Out-of-Pocket Maximum of \$700.

Once the amount paid by all Pediatric Enrollee(s) equals the Out-of-Pocket Maximum shown above, no further payment will be required by any of the Pediatric Enrollee(s) for the remainder of the Calendar Year for covered services. Adult benefits are not subject to Out-of-Pocket Maximums.

Copayments made by each individual child for in-network services contribute to the Out-of-Pocket Maximum. Out-of-network services are not covered and do not accumulate to the Out-of-Pocket Maximum.

Only copayments for services provided by a contracted provider will count toward the Out-of-Pocket Maximum. Payment for services that are Optional, performed by a non-contracted provider, or that are not covered under the Policy will not count toward the Out-of-Pocket Maximum, and payment for such services still applies after the annual Out-of-Pocket Maximum is met.

Record of payment for covered procedures should be kept by the Responsible Party. When the Out-of-Pocket Maximum has been reached; contact the Customer Service department at 888-844-3344 for instruction on how to submit. Proof that the Out-of-Pocket Maximum has been reached must be submitted to the Plan.
