The Out-of-Pocket Maximum is the maximum amount of money that a covered Pediatric Enrollee can pay in copays for all allowable expenses, including orthodontic copayments, in any Plan Year. A single Pediatric Enrollee will have an out-of-pocket maximum of \$350. A family with two (2) or more Pediatric Enrollees will have a combined Out-of-Pocket Maximum of \$700.

Once the amount paid by all Pediatric Enrollee(s) equals the Out-of-Pocket Maximum shown above, no further payment will be required by any of the pediatric Enrollee(s) for the remainder of the Plan Year for covered services. Adult benefits are not subject to Out-of-Pocket Maximums

Payment for services that are Optional or that are not covered under the Policy will not count toward the Out-of-Pocket Maximum, and payment for such services still applies after the annual Out-of-Pocket Maximum is met.

Record of payment for covered procedures should be kept by the Responsible Party. When the Out-of-Pocket Maximum has been reached; contact the Customer Service department at 888-844-3344 for instruction on how to submit.
