

## **COMMUNITY ADVOCATE**

Attention:

My name is Diana and I am a community advocate and organizer of various community event in Service Area 1; Antelope Valley Area.

I represent community members who are low-income; homeless and the under-served population.

LIBERTY understands how to serve our diverse and under-served communities in a linguistically appropriate and culturally competent manner. I have worked closely with Liberty dental on an event, servicing our homeless and under-served population and LIBERTY goes beyond for this event.

Many of our community members do not qualify for oral health benefits such as our homeless population. LIBERTY does not ignore them. LIBERTY shows up. Its talented workforce — our neighbors and friends — Liberty is known to provide community education and it is free for everyone.

I am not in favor of the dental proposal being considered at the State and strongly oppose of it. It would be a devastation for our community and families

Thank you.
