TERMINATION OF A MEMBER'S COVERAGE

3. The Member commits any action of fraud or material misrepresentation in applying for or seeking any benefits under this Contract;

8. A covered child dependent reaches the limiting age as specified in the Eligibility Section of this Contract, or if a court order, including a qualified medical child support order covering a dependent is no longer in effect.

Prior to terminating a Member for cause, the Plan will document the Member's problem and make a reasonable effort to resolve the problem, including the use or attempted use of the Plan's Grievance Procedure. We will also to the extent possible, ascertain that the Member's behavior is not related to the use of services or mental illness.

Termination of Coverage by a Member's Request

The Member and/or any of his or her covered dependents may terminate coverage with the Plan at any time with appropriate notice of at least fourteen (14) days to the Federal Exchange. Coverage will terminate on the date specified or fourteen (14) days after termination is requested, whichever is later. Should any Member and/or any of his or her covered dependents in the Plan terminate coverage because of eligibility for Medicaid, CHIP or a Basic Health Plan or termination is due to the Member moving from one Qualified Health Plan to another during an Annual or Special Enrollment Period, the termination effective date will be the day before the effective date of the new coverage.

Termination of Coverage by the Federal Exchange

The Federal Exchange may terminate the Member's coverage with the Plan in the following circumstances. Should the Member's coverage be terminated, LIBERTY will provide the Member with a notice of termination consistent with the effective date established with the Federal Exchange. Coverage may be terminated if:

1. The Member is no longer eligible for coverage;
2. Member becomes covered in other minimum essential coverage;
3. Non-payment of premium provided that the applicable grace period has expired;
4. The Member's coverage is rescinded due to an act, practice or omission that constitutes fraud, or an intentional misrepresentation of material fact; in which case, LIBERTY will provide 30-day advance notice;
5. LIBERTY terminates or is decertified by the Federal Exchange;
6. The Member changes from one Qualified Health Plan to another during annual open enrollment or special enrollment;
7. Or by any other reason as determined by the Federal Exchange.

Premium Tax Credit Recipients

Members receiving an advanced premium tax credit and lose coverage due to non-payment of premiums will be extended a three-month grace period. LIBERTY will cover all allowable claims for the first month of the three-month grace period and may pend subsequent claims in the second and third months of the grace period. During the grace period, LIBERTY will continue to collect subsidy payments on the delinquent member's behalf and return such payments of the premium tax credit for the second and third months of the grace period if the member exhausts the grace period without paying premium.

If your premium is not received by the end of the third month of the grace period, your coverage ends.

Termination Due to Non-Payment of Premium

If Premiums are not paid prior to end of the Grace Period, termination will be effective on midnight of the last day of the month for which Premiums were last received, subject to compliance with any applicable notice and grace period requirements.

EXTENSION OF BENEFITS

In the event Coverage is terminated for any reason, a Member is entitled to continue services for a specific treatment or procedure that was undertaken prior to termination. This extension of benefits will cease on the earliest of completion of treatment or ninety (90) days from the date coverage terminates.

During the period required for completion of such procedures, each Member shall continue to pay Copayments directly to the Plan dentist, as required under the Schedule of Benefits and all exclusions and limitations will continue to apply during the extension.

FILING A CLAIM FORMS

There are no claim forms to worry about with your plan. LIBERTY prepays Primary Care Dentists in advance for covered services (less applicable copayments of your plan).

In the case of a specialty referral, Members are referred to one of our plan specialists. Once a specialty referral is processed, LIBERTY will send a copy of the approved referral to the Member, the referring Primary Care Dentist who originally submitted the referral, and the Specialist. The referral will include the services approved, the Member Copayment and the amount we will pay the Specialist

(according to their contracted fees). Once the services have been performed by the Specialist, the Specialist will send the Plan a claim form and we will pay the Specialist directly for the approved services.

PRIOR BENEFIT AUTHORIZATION

No prior benefit authorization is required in order to receive dental services from your Primary Care Dentist. The Primary Care Dentist has the authority to make most coverage determinations. The coverage determinations are achieved through comprehensive oral evaluations which are covered by your plan. Your Primary Care Dentist is responsible for communicating the results of the comprehensive oral evaluation and advising of available benefits and associated cost.

If your Primary Care Dentist encounters a situation that requires the services of a specialist, LIBERTY requires a preauthorization submission, which will be responded to within five (5) business days of receipt, unless urgent.

If you or your Primary Care Dentist encounter an urgent condition in which there is an imminent and serious threat to your health, including but not limited to the potential loss of life, limb, or other major body function, or the normal timeframe for the decision-making process as described above would be detrimental to your life or health, the response to the request for referral should not exceed seventy-two (72) hours from the time of receipt of such information. The decision to approve, modify or deny will be communicated to the Primary Care Dentist within twenty-four (24) hours of the decision. In cases where the review is retrospective, the decision shall be communicated to the enrollee within thirty (30) days of the receipt of the information.

In the event that you need to be seen by a specialist, LIBERTY does require prior benefit authorization. Your Primary Care Dentist is responsible for obtaining authorization for you to receive specialty care.

If your specialty referral preauthorization is denied or you are dissatisfied with the preauthorization, please refer to the Grievance Procedure.

EMERGENCY DENTAL CARE

All affiliated LIBERTY Primary Care Dental offices provide availability of emergency dental care services twenty-four (24) hours per day, seven (7) days per week.

In the event you require Emergency Dental Care, contact your Primary Care Dentist to schedule an immediate appointment. For urgent or unexpected dental conditions that occur after-hours or on weekends, contact your Primary Care Dentist for instructions on how to proceed.

If your Primary Care Dentist is not available, simply contact any licensed dentist to receive care. LIBERTY will reimburse you for dental expenses up to a maximum of seventy-five dollars (\$75), less applicable copayments.

The Plan provides coverage for emergency dental services only if the services are required to alleviate severe pain or bleeding or if an enrollee reasonably believes that the condition, if not diagnosed or treated, may lead to disability, dysfunction or death (e.g. emergency extraction when no other palliative treatment would suffice and severe gum tissue infection).

Reimbursement for Emergency Dental Care: If the requirements in the section titled “Emergency Dental Care” are satisfied, LIBERTY will cover up to \$75 of such services per calendar year. If you pay a bill for covered Emergency

Dental Care, submit a copy of the paid bill to: **LIBERTY Dental Plan, Claims Department**, P.O. Box 26110, Santa Ana, CA 92799-6110. Please include a copy of the claim from the provider's office or a legible statement of services/invoice. Please forward to LIBERTY with the following information:

- Your Membership information.
- Individual's name that received the emergency services.
- Name and address of the dentist providing the emergency service.
- A statement explaining the circumstances surrounding the
- Emergency visit.

If additional information is needed, you will be notified in writing. If any part of your claim is denied you will receive a written Explanation of Benefits ("EOB") within thirty (30) days of LIBERTY's receipt of the claim that includes:

- The reason for the denial.
- Reference to the pertinent Evidence of Coverage provisions on which the denial is based.
- Notice of your right to request reconsideration of the denial, and an explanation of the grievance procedures. Please refer to the Grievance Procedure.

GRIEVANCE PROCEDURE

Introduction

LIBERTY has a grievance and appeal procedure that complies with applicable state and federal law (“The Grievance Procedure”). We will try to resolve any problems you may encounter over the telephone, but sometimes, additional steps are necessary. In these cases, we have a Grievance Procedure available that provides channels for you, or a provider acting on your behalf, to voice your concerns and have them reviewed and addressed at several levels within the organization.

Grievance and Appeal Program Definitions

The following terms, as used in the Grievance section, are defined as follows:

Adverse Benefit Determination: means a denial of a request for service or a failure to provide or make payment (in whole or in part) for a benefit. An Adverse Benefit Determination also includes any reduction or termination of a benefit, or any other coverage determination that availability of care or other dental care service does not meet the Plan’s requirements for dental necessity,

appropriateness, dental care setting, or level of care or effectiveness. As Adverse Benefit Determination based in whole or in part on dental judgment, includes the failure to cover services because they are determined to be Experimental, Investigational, cosmetic, not dentally necessary or inappropriate. The denial of payment for services or charges (in whole or in part) pursuant to the Plan's dental contracts with Plan Providers, where the Member is not liable for such services or charges, are not Adverse Benefit Determinations.

Authorized Representative: means an individual authorized by the Member or state law either verbally or in writing, to act on the Member's behalf in requesting a dental care service, obtaining claim payment, or participating during the Grievance process. A Provider may act on behalf of a Member without the Member's express consent when it involves an Urgent Grievance.

Clinical Peer: means a dental care professional in the same or similar specialty as typically manages the dental condition, procedure or treatment under review, who was neither involved in the initial Adverse Benefit Determination nor a subordinate of such individual. A Clinical Peer may include a Plan dental director not involved in the initial Adverse Benefit Determination with the appropriate expertise.

Complaint: means any oral expression or dissatisfaction including dissatisfaction with the administration, claims practices or provision of services, which relates to the quality of care provided by a Provider and is submitted to the Plan or to a State agency. A Complaint is part of the informal steps of a Grievance procedure and is not part of the formal steps of a Grievance procedure, unless it is a Grievance as defined herein.

Concurrent Review: means utilization review conducted during a Member's course of treatment.

Grievance: means an oral or written Complaint submitted by or on behalf of a Member to the Plan or a State agency regarding the:

- a. Availability, coverage for the delivery, or quality of dental care services, including a Complaint regarding an Adverse Benefit Determination made pursuant to utilization review;
- b. Claims payment, handling, or reimbursement for dental care services; or
- c. Matters pertaining to the Contractual relationship between a Member and the Plan.

A Grievance includes both Pre-Service Grievances and Post-Service Grievances as defined herein. A Grievance does not include a written Complaint submitted by or on behalf of a Member eligible for a grievance and appeals procedure provided by the Plan pursuant to Contract with the Federal Government under Title XVIII of the Social Security Act or other government programs.

Peer Review (Committee): means a panel comprised of a majority of Clinical Peers, established to review second level Grievances related to Adverse Benefit Determinations. In cases in which there was a denial of coverage, persons previously involved with the Adverse Benefit Determination will not be a Member of the Committee but may appear before the Committee to present information or answer questions. The Committee has the authority to bind the Plan to its decisions. Committee Members, Clinical Peer or otherwise, shall not be subordinate to those person(s) who made the initial Adverse Benefit Determination, or those person(s) who made the first level Grievance review decision. The Committee shall conduct regular meetings on

at least a biweekly or monthly basis (unless there is no business to be transacted at such meeting).

Post-Service Grievance: means a Grievance for which an Adverse Benefit Determination was rendered for a service that was already provided, and the Grievance was received within one (1) year after the date of occurrence of the action that initiated the Grievance, which in the case of a Grievance involving an Adverse Benefit Determination would be one (1) year from the date of the Member's receipt of the initial notice of such Adverse Benefit Determination.

Pre-Service Grievance: means any Grievance for which a requested service requires Prior Authorization, an Adverse Benefit Determination was rendered, and the requested service was not provided and the Grievance was received within one (1) year after the date of occurrence of the action that initiated the Grievance, which in the case of a Grievance involving an Adverse Benefit Determination would be one (1) year from the date of the Member's receipt of the initial notice of such Adverse Benefit Determination.

Relevant: means a document, record or other information that:

- a. was relied upon in making a benefit determination;
- b. was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record or other information was relied upon in making the benefit determination;
- c. demonstrates compliance with the federal requirements for safeguards designed to ensure and to verify that benefit claim determinations were made in accordance with governing plan documents and that, where appropriate, the plan provisions

were applied consistently with respect to similarly situated Members; or

- d. constitutes a statement of policy or guidance with respect to the Plan concerning the denied treatment option or benefit for the Member's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Retrospective Review: means a review, for coverage purposes, of dental necessity conducted after services were provided to the Member.

Urgent Grievance: means a Grievance for which a requested service requires Prior Authorization, or an extension of concurrent care is being requested; an Adverse Benefit Determination was rendered; the requested service has not been provided; and the application of non-urgent care Grievance time frames could seriously jeopardize: (a) the life or health of the Member; or (b) the Member's ability to regain maximum function. An Urgent Grievance is also a Grievance where application of the non-Urgent timeframes would, in the opinion of a Dentist with knowledge of the Member's dental condition, subject the Member to severe pain that could not be adequately managed without the care or treatment that is being requested.

CLAIM AND APPEAL PROCEDURES

There are three types of claims: (1) Pre-Service Claims; (2) Post-Service Claims; and (3) Claims Involving Urgent Care. It is important that Members become familiar with the types of claims that can be submitted to LIBERTY and the time frames and other requirements that apply.

A. Urgent Care Claims

Initial Claim - An Urgent Care Claim shall be deemed to be filed on the date received by LIBERTY. We shall notify the Member of Our benefit determination (whether adverse or not) as soon as possible, taking into account the dental exigencies, but not later than 72 hours after We receive, either orally or in writing, the Urgent Care Claim, unless the Member fails to provide sufficient information to determine whether, or to what extent, benefits are covered or payable under the dental plan. If such information is not provided, LIBERTY shall notify the Member as soon as possible, but not later than 24 hours after We receive the Claim, of the specific information necessary to complete the Claim. The Member shall be afforded a reasonable amount of time, taking into account the circumstances, but not less than 48 hours, to provide the specified information. LIBERTY shall notify the Member of Our benefit determination as soon as possible, but in no case later than 48 hours after the earlier of:

1. LIBERTY's receipt of the specified information; or
2. The end of the period afforded the Member to provide the specified additional information.

If the Member fails to supply the requested information within the 48-hour period, the Claim shall be denied. LIBERTY may notify the Member of its benefit determination orally or in writing. ARBITRATION

If you or one of your eligible dependents is not satisfied with the results of LIBERTY's grievance resolution process, and

you have exhausted all LIBERTY grievance resolution procedures available to you under this EOC, you may request that the matter be submitted to arbitration for resolution by providing written notice of your arbitration request to LIBERTY. The arbitration will be conducted according to the American Arbitration Association rules and regulations in force at the time the matter is submitted to arbitration. All costs and expenses of arbitration shall be borne by you and LIBERTY equally. You shall bear all costs and expenses, including counsel, experts, and witnesses, involved in preparing and presenting Your case.

In the event a Member's grievance goes through arbitration, pursuant to Chapter 682, Florida Statutes, an additional time limitation will be granted, not to exceed 270 days from the date the LIBERTY is first notified of the grievance. No Member shall be denied services or benefits under the Agreement solely on the grounds that he or she filed a complaint.

SUBROGATION AND THIRD-PARTY RECOVERY

If LIBERTY makes any payment on your behalf for Covered Services, we are permitted to be fully subrogated (a legal principle that allows the plan to be reimbursed for certain payments we have made on your behalf, in certain circumstances) to any and all rights you have against any person, entity or insurer that may be responsible for payment of medical expenses and/or benefits related to your dental injury, illness or condition.

Members and providers must agree to cooperate with LIBERTY and any LIBERTY designated representatives and to take any actions or steps necessary to secure our interests, including but not limited to:

1. Fully responding to requests for information about any accidents or injuries;
2. Fully responding to LIBERTY requests for information and providing any relevant information that we have requested; and
3. Fully participating in all phases of any legal action LIBERTY may need to protect our rights, including but not limited to participating in discovery, attending depositions, and appearing and testifying at trial.

In addition, you agree not to do anything to affect LIBERTY rights, including but not limited to assigning any rights or causes of action that you may have against any person or entity relating to your injury, illness, or condition without our prior authorized written consent.

Your failure to cooperate shall be deemed a violation or breach of your obligations, and LIBERTY may seek any available legal action against you to protect our rights.

LIBERTY is also entitled to be fully reimbursed for any and all benefit payments we make to you or on your behalf that are the responsibility of any person, organization, or insurer. Our right of reimbursement is separate and apart from our subrogation right and is limited only by the amount of actual benefits paid under the Plan.

Plan Providers and LIBERTY have not created any agency, partnership, joint venture, or other form of joint enterprise, employment, or fiduciary relationship. Plan Providers are not agents or employees of LIBERTY, nor is LIBERTY or any employee of LIBERTY an employee or agent of a Plan Provider. LIBERTY does not have any right, power, or authority to act or create an obligation, express or implied, on behalf of Plan Provider in any manner whatsoever. Moreover, Plan Providers do not have any right, power, or authority to act or create an obligation, express or implied, on behalf of LIBERTY in any manner whatsoever. Therefore, LIBERTY is not bound by statements or promises made by Plan Providers or their employees.

Plan Providers assume responsibility for their own actions and the actions of their employees. LIBERTY is not liable for

any claims, actions, judgments, damages, lawsuits, costs, expenses, or demands arising of, or in any manner related to, incident or event on any Plan Provider's premises or Plan Provider's act or omission, including, but not limited to, standard of care, harassment, injury, fraud, conversion, or other tort.

Entire Agreement

This EOC, along with the Enrollment Forms/Application and Plan Information Page, constitute the entire agreement between the Member and LIBERTY and as of its Effective Date, replace all other agreements between the parties.

Contestability

Any and all statements made to LIBERTY by any Subscriber or Dependent will, in the absence of fraud, be considered representations and not warranties. Also, no statement, unless it is contained in a written application for coverage, shall be used in defense to a claim under this agreement.

LIBERTY has the right to offset any overpayment/incorrect payment against any future payments to such providers. In some cases, LIBERTY may have the right to seek reimbursement of overpayments from you.

Governing Law

Except as preempted by federal law, this EOC is governed in accordance with Florida law, and any provision that is required to be in this EOC by applicable law shall bind Members and LIBERTY whether or not explicitly set forth in this EOC.

Grace Period

The Parties acknowledge and agree that if LIBERTY does not receive Premium payment in full by the end of the month in coverage, this EOC and all coverage afforded under it may be terminated by LIBERTY in accordance with the Termination provisions in this EOC.

ANSWERS TO COMMON QUESTIONS

Are my cleanings covered? Yes. LIBERTY covers routine cleanings (prophylaxis) at your selected dental office once every six (6) months. Some Members may require more than a routine cleaning due to their individual dental needs. If you require a cleaning more frequently than every 6 months, or if you require more extensive treatment (such as root planing or scaling) your Primary Care Dentist may charge you in accordance with your dental plan.

What if I have a pre-existing condition? Most pre-existing conditions are covered. However, a procedure started within three (3) months prior to your coverage effective date will not be covered by the Plan. A pre-existing condition will not be excluded longer than 2 years from the coverage effective date.

Are there waiting periods to be met? No. Once your enrollment becomes effective, simply make an appointment with your selected network dentist.

Does the Plan include dental specialists? Yes. LIBERTY has a contracted network of Dental Specialists. If specialty is deemed necessary by your Primary Care Dentist, you will be referred to a specialist after coordinating your needs with your Primary Care Dentist. Care from a Prosthodontist is not covered under this plan.

What if I have other dental coverage? Your LIBERTY network Primary Care Dentist will apply your reimbursement from any additional coverage you have to your copayment if allowable by your other dental plan carrier. This may reduce your out-of-pocket costs.

How will I know what my copayment will be? Refer to your Schedule of Benefits which lists all of the services covered under your plan. The copayment schedule is listed by ADA code. If you have any questions, ask your dentist before you receive services and/or call the LIBERTY Member Services Department.

Who do I call if I have a question? Should you have questions once you become a Member, contact our Member Services Department.

REPORTING FRAUD, WASTE, & ABUSE:

LIBERTY is dedicated to ensuring that it complies with all applicable Federal and state laws, rules, regulations and procedures, including Federal Exchange requirements. LIBERTY has accordingly developed and instituted a compliance plan (the “Compliance Plan”). The Plan is designed to ensure LIBERTY complies with its regulatory and contractual obligations.

The Compliance Plan not only addresses health care fraud, waste and abuse (“FWA”), but the requirements and obligations set forth by the Centers for Medicare and Medicaid (CMS) and other applicable laws.

FWA Definitions:

Fraud – includes, but is not limited to, “knowingly making or causing to be made any false or fraudulent claim for payment of a health care benefit.” Fraud also includes fraud or misrepresentation by a subscriber or enrollee with respect to coverage of individuals and fraud or deception in the use of the services or facilities of LIBERTY or knowingly permitting such fraud or deception by another.

Waste – means the thoughtless or careless expenditure, consumption, mismanagement, use, or squandering of resources. Waste also includes incurring unnecessary costs because of inefficient or ineffective practices, systems, or controls. Waste does not normally lead to an allegation of “fraud”, but it could.

Abuse – means the excessive, or improper use of something, or the use of something in a manner contrary to the natural or legal rules for its use; the intentional destruction, diversion, manipulation, misapplication, maltreatment, or misuse of resources; or extravagant or excessive use so to

abuse one's position or authority. "Abuse" does not necessarily lead to an allegation of "fraud"; but it could.

Policy: It is the policy of LIBERTY to review and investigate all allegations of fraud, waste, and abuse, whether internal or external, to take corrective action as appropriate, and to report confirmed misconduct to the appropriate parties both internal and external.

Initial Identification: LIBERTY has established several options, which allow for confidential reporting of violations to LIBERTY'S Special Investigations Unit and LIBERTY'S Compliance Department. LIBERTY has established the following internal mechanisms:
