HOW TO USE THE BOOKLET

This Evidence of Coverage explains your rights, responsibilities, and benefits under this plan. It also explains LIBERTY Dental's responsibilities to you. This Evidence of Coverage and Disclosure Form will assist you in properly understanding your dental plan. Please read this important document completely and carefully. This booklet has been written for you and is designed to help you make the most of your dental program.

Please read the "Definition" section. It will explain to you any words which have special or technical meanings under the LIBERTY/GMC contract.

If you have any questions about your coverage that are not answered within this booklet, please contact our Member Services Department at 877-550-3875.

You will receive a Member Identification Card (ID Card) in the mail once your enrollment has been received. Your ID Card lists your assigned Primary Care Dentist's name, address, and telephone number. Please review your card as soon as you receive it to make sure all of the information is correct. If you lose your ID Card, please call our Member Services Department at (877) 550-3875 to request a new one. If you contact us to change your assigned Primary Care Dentist, you will receive a new ID card in the mail with your new Primary Care Dentist's name, address and telephone number. Please make sure you show your ID Card to your Primary Care Dentist at every appointment.

Once you are enrolled in the Plan and have received your ID Card, please contact your Primary Care Dentist to schedule an appointment. To maintain good oral health you should have an oral exam every year.

Choosing and Changing Primary Care Dentist

When you need to visit your dentist, you must see the PCD you chose when you selected LIBERTY as your Sacramento County Dental Plan. If you did not select a PCD at the time of enrollment, LIBERTY has automatically assigned one to you. Your PCD's name and telephone number are on your LIBERTY ID card.

If you want to change your PCD please contact our Member Services Department at **(877) 550-3875**. We will approve or deny your request according to guidelines approved by DHCS.

A PCD can request that you be changed to another dentist if you do not follow health care instructions, preventing the dentist from safely and ethically proceeding with your dental care. This includes repeatedly missing scheduled appointments.

If the dentist you were seeing before you became eligible for the Sacramento County Dental Plan belongs to our network, you may continue to receive treatment from that dentist but you must first contact our Member Services Department and select that dentist as your PCD.

If you need help choosing a PCD, please contact our Member Services Department at (877) 550-3875.

Federally Qualified Health Centers (FQHC's)

You have the right to receive your dental care services at a FQHC that has a contract with LIBERTY Dental Plan. For names and addresses of FQHC's in your area, please call our Member Services Department at **(877) 550-3875**. If you have questions or for more information on dental services, please contact Denti-Cal. Providers may call (800) 423-0507. Beneficiaries or their representative may call (800) 322-6384 or you may visit the Denti-Cal website at www.denti-cal.ca.gov.

Scheduling Appointments

Call your PCD to make an appointment for your first examination. To maintain good oral health you should have an oral exam every year. If you have unexpected dental problems about dental-related issues in between your regularly scheduled visits please contact either your PCD or a Member Services Representative for assistance. If you have an injury or are in pain please contact your PCD immediately.

Your first visit with your PCD must be within 120 calendar days from the date of enrollment into the Sacramento County Dental Plan. At this first visit, your PCD will prepare your treatment plan which lists the dental services your PCD has recommended for you. From then on, all your dental services will be performed either by your PCD or by a specialist to whom your PCD refers you. Specialist treatment must be authorized in writing by LIBERTY.

MEMBER is responsible for appropriate use of dental services while enrolled in the Sacramento County Dental Plan. MEMBER is to make and keep dental appointments with their PCD on a regular basis and to give 24 hour notice for cancellation. Member is to treat PCD and office staff in a courteous and respectful manner.

Eligibility under the PLAN will continue unless a MEMBER becomes ineligible for coverage under the California Medi-Cal program, or disenrolls from the PLAN, moves out of the service area, or eligibility changes to a GMC ineligible aid category.

Transitional Medi-Cal (TMC)

TMC is for members who lose cash aid or Medi-Cal eligibility due to an increase in income from a new job, marriage, or a spouse returning to the home. Medi-Cal members who qualify for TMC may keep their Medi-Cal health coverage for up to 12 months and keep their membership with LIBERTY Dental Plan. If you lose eligibility for Medi-Cal because you have more income, you should contact your Medi-Cal eligibility worker right away. For more information about the Medi-Cal TMC program, contact the State of California's toll free number at 1-800-880-5305 or your local Health and Human Services Department.

SECTION 3. COMMENCEMENT OF COVERAGE

COVERAGE shall begin at 12:01 A.M. on the first day of the month for which the MEMBER's name is added to the approved list of MEMBERS furnished by the Department of Health Services to the PLAN. MEMBER must present his/her ID card and State Benefits Identification (BIC) card at each dental visit to verify that he/she is eligible under the Medi-Cal program at each visit.

The term of membership will continue indefinitely unless this Contract expires, is terminated, or the MEMBER is disenrolled under the conditions described in Section 4 below:

SECTION 4. TERMINATION / CANCELLATION OF BENEFITS

Termination or cancellation of PLAN COVERAGE shall take place immediately upon: the PLAN's receipt of notification that a MEMBER is ineligible to participate in the Medi-Cal Program, a MEMBER'S change of residence to a location outside Sacramento County, or MEMBER is covered by Medi-Cal in an ineligible aid category, and **termination of PLAN COVERAGE by MEMBER.**

The PLAN shall not terminate or cancel COVERAGE to a MEMBER based upon the MEMBER's health status or requirements for health care services. Any MEMBER who alleges that an enrollment has been canceled because of the MEMBER'S health status or requirements for health care services may request a review of cancellation by the Director of the Department of Managed Health Care, at 1-800-HMO-2219. The Department also has a toll-free TDD line 1-877-688-9891 for the hearing and speech impaired.

An individual whose PLAN benefits have been previously terminated or canceled and who is now an eligible MEDI-CAL BENEFICIARY may re-enroll in the PLAN. Refer to section 2 and 3, respectively, of this Combined Evidence of Coverage and Disclosure form for eligibility and coverage.

SECTION 5. DISENROLLMENT / PLAN-INITIATED DISENROLLMENT

A Member will be disenrolled from the Plan on the first day of the month following any of the following events:

Member is receiving care under the Foster Care or Adoption Assistance Program or through the Child Protective Services.

Disenrollment is mandatory when:

1. MEMBER requests disenrollment and the request is not during any restricted period.
2. Eligibility is terminated, including death of the member.
3. MEMBER requests disenrollment.
4. There is a change in MEMBER'S place of residence to outside LIBERTY'S services area.
5. MEMBER is enrolled as a commercial member of a dental plan.

Disenrollment (if appropriate) will become effective on the first day of the second month following receipt by DHCS of all documentation necessary, as determined by DHCS, to process the disenrollment, provided disenrollment was requested at least 30 calendar days prior to that date. A PLAN disenrollment form is available at the PLAN office headquarters, any PLAN PROVIDER office, or by calling 1-800-430-4263. A MEMBER may voluntarily disenroll from the PLAN at any time and can enroll in another plan either through MEMBER's own choice or through default.

Special Services for American Indians

American Indians have the right to get health care services at Indian Health Centers and Native American Health Clinics. American Indians may stay with or disenroll from a GMC plan by contacting Health Care Options (HCO) at (800) 430-4263.

The guidelines are: you are an Indian; a member of an Indian household or have written acceptance from an Indian Health Service program facility to receive health care through that facility.

If you have questions or need assistance, please contact our Member Services department at (877) 550-3875.

PLAN-Initiated Disenrollment

The PLAN may recommend to DHCS the disenrollment of any MEMBER for cause. Except in cases of violent behavior or fraud, the PLAN shall make significant effort to resolve the problem with the MEMBER through avenues such as reassignment of PRIMARY CARE DENTIST or education before requesting a PLAN-initiated disenrollment. The PLAN will submit to DHCS a written request for disenrollment with supporting documentation based on the breakdown of the PLAN-MEMBER relationship. The PLAN may recommend to DHCS the disenrollment of a MEMBER because of, but not limited to, one of the reasons below:

1. Repeated Verbal Abuse
MEMBER is repeatedly abusive to the PROVIDERS, ancillary or administrative staff, subcontractor staff or to other PLAN MEMBERS;
2. Physical Abuse
MEMBER physically assaults a PROVIDER or staff person, subcontractor staff person, or other MEMBER, or threatens another individual with a weapon on the PLAN's premises. In this instance, the PLAN or the PROVIDER will file a police report and file charges against the MEMBER;
3. Disruptive Behavior
MEMBER is disruptive to PLAN's operations in general;
4. Habitual Use of Non-Participating Providers
MEMBER habitually uses providers not affiliated with the PLAN for non-emergency services without required authorizations (causing PLAN to be subjected to repeated PROVIDER demands for payment for those services or other demonstrable degradation in PLAN's relations with community PROVIDERS);

5. **Fraudulent Use of Medi-Cal Coverage**

MEMBER has allowed the fraudulent use of Medi-Cal coverage under the PLAN, which includes allowing others to use the MEMBER's PLAN Membership card to receive services from PROVIDERS; or

6. **Noncompliance with Prescribed Treatment**

A MEMBER's failure to follow prescribed treatment (including failure to keep established dental appointments) will not, in and of itself, be good cause for the approval by the DHCS of a PLAN-initiated disenrollment request unless the PLAN can demonstrate to DHCS that, as a result of the failure, the PLAN is exposed to a substantially greater and unforeseeable risk than that otherwise contemplated under the PLAN and rate negotiations.

The PLAN-initiated disenrollment must be prior approved by DHCS. The PLAN will notify the MEMBER in writing about the PLAN's intent to disenroll the MEMBER for cause. The PLAN will allow a period of twenty (20) calendar days from the date of the receipt of the letter for the MEMBER to respond to a proposed action prior to disenrollment.

SECTION 6. PREPAYMENT FEE, PERIODIC PAYMENTS AND OTHER CHARGES

There are no prepayment fees, periodic payments, co-payments, or other charges required from MEMBERS for COVERAGE under the PLAN.

SECTION 7. LIABILITY OF MEMBER FOR PAYMENT

In the event the PLAN fails to pay the PROVIDER, the MEMBER shall not be liable to the PROVIDER for any sums owed by the PLAN. In the event the PLAN fails to pay any unauthorized, non-contracting providers, the MEMBER may be liable to the non-participating provider for the cost of services. A MEMBER shall additionally be liable for the payment(s) to any contracting or non-participating provider for the services not covered under the PLAN.

SECTION 8. PLAN BENEFITS, COVERAGE, AND OTHER COVERED DENTAL SERVICES

The PLAN agrees to provide COVERAGE to MEMBERS for all dental health care services available under the dental provisions of the California Medi-Cal

program. MEMBERS must obtain all Medi-Cal covered non-emergency dental services through the PLAN's PROVIDERS. A current list of those services is set forth in the BENEFITS Schedule accompanying this Combined Evidence of Coverage and Disclosure Form as Attachment "A". This schedule establishes the dental care and services which are available to MEMBERS without charge.

To obtain benefits under the PLAN, a MEMBER shall contact his or her PROVIDER for appointment scheduling. MEMBERS are not required to provide or complete claims forms for the receipt of COVERAGE under the PLAN.

Other Covered Dental Services

The following dental services rendered to patients in a hospital, skilled nursing facility or intermediate care facilities are a covered benefit only:

1. During a period of hospital, skilled nursing, or intermediate care facility stay covered by the Medi-Cal program.
2. When provided pursuant to the signed authorization of the provider responsible for the patient's care and the authorization is documented on the patient's chart.
3. Following prior authorization of each non-emergency and non-diagnostic dental service.

- Treatment of incipient or non-active cavities in adults
- Cosmetic procedures
- Removable partial dentures, except when necessary for balance of a complete artificial denture
- Extraction of healthy teeth, except for: serial extractions required to minimize problems with the bite; teeth that interfere with denture or bridge construction; conditions perceptible through x-rays but which fail to elicit symptoms
- Pulp caps
- Fixed bridges, except when necessary for obtaining employment; medical conditions which preclude use of removable dentures
- Experimental procedures
- Procedures, appliances or restorations that: increase vertical dimension; restore occlusion; replace tooth structure lost by attrition, are for implantology techniques

SECTION 10. EMERGENCY CARE

EMERGENCY CARE is available to MEMBERS twenty-four (24) hours a day, 7 days a week. EMERGENCY CARE is defined as a dental screening, examination, evaluation by dentist or dental specialist to determine if an emergency dental condition exists, and to provide care that would be acknowledged as within professionally recognized standards of care and in order to alleviate any emergency symptoms within the capability of the facility. During regular PROVIDER office hours, MEMBERS may obtain care by contacting their PRIMARY CARE DENTIST for EMERGENCY treatment. After business hours, MEMBERS should contact their PRIMARY CARE DENTIST or **MEMBERS may contact a twenty-four (24) hour answering service at (877) 550-3875**. The on-call operator will get information from the MEMBER regarding the EMERGENCY and relay the information to the on-call PROVIDER.

The on-call PROVIDER will assess the EMERGENCY and in the event emergency dental services are required, a PLAN PROVIDER will meet the MEMBER at the closest available PROVIDER facility for treatment.

If a MEMBER requires EMERGENCY CARE when outside the SERVICE AREA, (the geographic area designated by the PLAN within which the PLAN shall provide BENEFITS AND COVERAGE) a MEMBER may seek treatment from the nearest available dentist or emergency room as the circumstances dictate.

Any Provider outside the PLAN's SERVICE AREA may treat your emergency and will be reimbursed without prior authorization.

Emergency dental condition means a dental condition manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate attention could reasonably be expected to result in any of the following:

- Placing the MEMBER's health in serious jeopardy.
- Serious impairment to bodily functions.
- Serious dysfunction of any bodily organ or part.

Payment for emergency services and care may be denied if the PLAN reasonably determines that the emergency services and care were never performed; or in cases when the MEMBER did not require emergency services and care and the MEMBER should have known that an emergency did not exist. Non-PLAN PROVIDERS may require the MEMBER to make immediate full payment for services. If the MEMBER has to pay the full bill, the PLAN will reimburse the MEMBER for services that meet the definition of EMERGENCY CARE as defined above. If the MEMBER pays a bill, a copy of the bill should be submitted to the following address within 90 days from the date of treatment:

LIBERTY Dental Plan of California, Inc.
Attention: Claims Department
P.O. Box 26110
Santa Ana, CA 92799-6110

Once the MEMBER has received EMERGENCY CARE, the MEMBER must contact his or her PRIMARY CARE DENTIST (if the MEMBER's own PRIMARY CARE DENTIST did not perform the EMERGENCY dental care) for follow-up care. The MEMBER will receive all follow-up care from his or her own PRIMARY CARE DENTIST.

SECTION 11. CHOICE OF PROVIDERS

MEMBERS may select a dentist from the attached list of PRIMARY CARE PROVIDERS in the PLAN's network. The MEMBER should indicate their choice of PROVIDER on the Enrollment form. A MEMBER may transfer to another PROVIDER by contacting the primary PLAN office by telephone by the 20th day of the month at (877) 550-3875 and requesting such a transfer. The transfer to the new provider will be effective on the first day of the following month. All requests for transfer are subject to the availability of the chosen PROVIDER. Should any MEMBER fail to select a PROVIDER, the PLAN will assign the MEMBER to an available PROVIDER closest to their residence. To

receive information and assistance, MEMBERS should contact a MEMBER Services Representative by calling the telephone number listed in this brochure.

PRIMARY CARE DENTISTS are required to provide covered services to MEMBERS during normal working hours and during such other hours as may be necessary to keep MEMBERS appointment schedules on a current basis.

Appointments for routine, preventive care and specialist consultation shall not exceed three weeks from the date of the request for appointment.

Wait time in the PRIMARY CARE DENTIST's office shall not exceed 30 minutes.

The PLAN may be unable to assign MEMBERS to their choice of PRIMARY CARE DENTIST for one of the following reasons:

- The PRIMARY CARE DENTIST is not currently accepting new patients. (This is probably a temporary situation and the MEMBER may transfer to this PRIMARY CARE DENTIST at a later date.)
- If the PRIMARY CARE DENTIST reaches a maximum ratio of assigned MEMBERS.

Except for EMERGENCY CARE, any services and supplies obtained from any PROVIDER other than the MEMBER's PRIMARY CARE DENTIST without an approved referral will not be paid for under the PLAN.

SECTION 12. SECOND OPINIONS

MEMBERS or PRIMARY CARE DENTISTS may request a second opinion for Covered Services by contacting the PLAN. The PLAN shall provide or authorize a second opinion by an appropriately qualified dental provider. The reasons for a second opinion shall include, but are not limited to the following reasons: 1) the MEMBER questions the reasonableness, necessity, or diagnosis of the recommended procedures; 2) if the clinical indications are not clear, the PRIMARY CARE PROVIDER is unable to diagnose the condition, and the MEMBER requests additional diagnosis; 3) if the treatment plan in progress is not improving the dental condition of the MEMBER within an appropriate period of time given the diagnosis and the MEMBER requests a second opinion regarding the diagnosis or continuance of treatment.

The PLAN shall review the reasons for the request of a second opinion and provide an authorization or a denial in an expeditious manner. The second

opinion will be rendered within 72-hours from the PLAN's receipt of request where the MEMBER's condition poses imminent and serious threat to the MEMBER's life.

MEMBERS interested in obtaining the timeline for authorizing second dental opinions can contact the PLAN at:

LIBERTY Dental Plan of California, Inc.
Referral Department
P.O. Box 26110
Santa Ana, CA 92799-6110
1-877-550-3875

The cost of obtaining the second opinion will be paid by the PLAN.

SECTION 13. REFERRALS TO SPECIALIST

The MEMBER must first visit his or her PRIMARY CARE DENTIST for evaluation of MEMBER's case. Once the PRIMARY CARE DENTIST determines the MEMBER requires the care of a specialist, the PRIMARY CARE DENTIST will determine if the MEMBER needs an emergency referral or a routine referral. The PLAN processes emergency referrals immediately by calling a specialist to coordinate the scheduling of an appointment for the MEMBER with the specialist. Routine referrals are processed within five (5) business days from the date the request is received in our office and referrals affecting care where the MEMBER faces an imminent and serious threat to MEMBER's health within 72-hours or less of the receipt of the necessary documentation. Copies of authorizations for regular referrals are sent to the MEMBER, the specialist and the MEMBER's PRIMARY CARE DENTIST.

The PLAN encourages MEMBERS to contact their PRIMARY CARE PROVIDERS to schedule a follow-up appointment after the completion of the treatment by the specialist provider.

Decisions to approve, modify, or deny, based on dental necessity, prior to or concurrent with the provisions of dental care services to a MEMBER shall be made by the PLAN in a timely fashion appropriate for the nature of the MEMBER's condition, not to exceed five (5) business days from the PLAN's receipt of the information reasonably necessary and requested by the PLAN to make the determination.

When the MEMBER's condition is such that the MEMBER faces an imminent and serious threat to his or her dental health including, but not limited to, the loss of major dental function, or if waiting in accordance with the timeframe

noted in the above paragraph could jeopardize the MEMBER's ability to regain maximum function, the PLAN's decision to approve, modify, or deny referral requests by a MEMBER's PRIMARY CARE DENTIST prior to , or concurrent with, the provision of dental care services to a MEMBER shall be made in a timely fashion appropriate for the nature of the MEMBER's condition, not to exceed 72 hours after the PLAN's receipt of the information reasonably necessary and requested by the PLAN to make the determination.

The PLAN shall initially notify by telephone or facsimile the MEMBER's PRIMARY CARE DENTIST requesting a referral of its decision to approve, modify, or deny requests for referral authorization within 24 hours of the PLAN's decision. The PLAN shall also immediately inform the MEMBER's PRIMARY CARE DENTIST in writing of the decision to approve, modify or deny the referral. If the referral is approved, the PLAN shall specify in the notice the specific dental care service approved. If the referral is approved, the PLAN shall specify in the notice the clear and concise explanation of the reasons for the decisions, the criteria or guideline used, and the clinical reasons for the decisions regarding medical necessity. Additionally, the notice shall include the name and direct telephone number of who made the decision at the PLAN.

If the PLAN cannot approve, modify, or deny the request for authorization within the 72 hours or 5 business day timeframes because the PLAN is not in receipt of all the information reasonably necessary and requested, or because the PLAN requires consultation by an expert reviewer, or because the PLAN asked for an additional examination or test be performed upon the MEMBER, the PLAN shall immediately upon the expiration of the 72 hours or 5 business day time frames noted above, or as soon as the PLAN becomes aware it will not meet the 72 hours or 5 business day time frames, whichever occurs first, notify the referring PRIMARY CARE DENTIST and the MEMBER, in writing, that the PLAN cannot make a decision within the required timeframe, and specify the information requested but not received, or the expert reviewer to be consulted, or the additional examinations or tests required. Once the PLAN received all the information reasonably necessary and requested, the PLAN shall approve, modify, or deny the request for authorization in a timely fashion appropriate for the nature of the MEMBER's condition, not to exceed 72 hours or 5 business days, as the case may be. Further information regarding the processes, criteria and procedures that the PLAN uses to authorize, modify, or deny dental services under the benefits provided by the PLAN are available to the MEMBER, PRIMARY CARE DENTISTS, and the public upon request.

SECTION 14. HOW PROVIDERS ARE COMPENSATED

The PLAN compensates its PROVIDERS in a variety of ways. Generally, PROVIDERS are paid on what is called a “capitated basis” This means that the PLAN pays a per-MEMBER-per-month fee to the PROVIDERS who provide services to the PLAN’s MEMBERS. Some PROVIDERS are compensated based on a combination of monthly capitation and significant fee-for-service supplemental payments from the PLAN. Some PROVIDERS are paid incentive payments. The PLAN’s PROVIDERS are always required by the PLAN to provide services in a quality manner in accordance with detailed regulatory and contractual requirements. These requirements help reduce overall costs by providing quality care which emphasizes preventive health care access and utilization of effective treatment methods.

A MEMBER may obtain additional information regarding the PROVIDERS’ compensation by contacting the PLAN at (877) 550-3875 or the MEMBER’s PROVIDER.

SECTION 15. SPECIAL PROGRAMS FOR CHILDREN

Child Health and Disability Prevention Program

The Child Health and Disability Prevention Program (CHDP) consist of activities approved and funded by the Department of Health Services for children from birth to 21 years of age. This is a state wide effort to detect and treat potentially handicapping childhood health conditions before they cause irreversible damage.

A function of the program is to encourage children to engage in healthy activities to maintain good oral health and lessen the occurrence of acute and emergency care. Preventive care is the key to this goal. We encourage you to make the commitment to visit your PCD twice annually for periodic preventive examinations. Please talk to your PCD to find out which services you are eligible to receive.

The CHDP program may be available to all children, even if they are no longer Medi-Cal eligible beneficiaries.

If a child is currently in the process of completing a dental treatment program that has been authorized by CHDP, tell your PCD about the authorization. Your PCD will contact CHDP for information on benefits because this previously-authorized treatment plan is not covered under the Sacramento County Dental Plan. Your child will complete this treatment before he/she is covered by the Sacramento County Dental Plan. The dentist will bill the fee-for service contractor.

California Children Services

California Children Services (CCS) is a state program administered through local county offices. The program treats children less than 21 years of age with certain physical limitations and diseases. The program is paid for by California taxpayers and offers medical care to children whose families cannot afford all or part of the needed care. If a MEMBER has a CCS eligible condition, MEMBER needs to apply to CCS for services under the CCS program. MEMBERS who may be eligible for dental services through the CCS program include those who have been accepted for and are authorized to receive orthodontic services for medically handicapping malocclusion by a CCS-paneled orthodontist, as well as other clients with CCS-eligible conditions such as cleft lip and/or palate, congenital and/or acquired oral and craniofacial anomalies, complex congenital heart disease, seizure disorder, immune deficiencies, cerebral palsy, hemophilia and other blood dyscrasia, malignant neoplasms, including leukemia, rheumatoid arthritis, nephrosis, cystic fibrosis, and organ transplants.

The PLAN shall continue to provide all dentally necessary covered services and case management services for MEMBERS referred to CCS until eligibility for the CCS program is established. Once eligibility for the CCS program is established for a MEMBER, the PLAN shall continue to provide Primary Dental Care and other dentally covered services unrelated to the CCS-eligible condition and will ensure the coordination of services between its Primary Care Dentists, the CCS-specialty providers, and the local CCS Program.

For any further information concerning the CCS program, please contact your local CCS Chapter at (916) 875-9900. If you suspect that you have a CCS condition, it is recommended that you also contact your primary care physician.

SECTION 20. WORKERS COMPENSATION AND OTHER HEALTH COVERAGE

If you are injured through the actions of another person (a third party), benefits will be provided under this PLAN and reported to Department of Health Services, Third Party Liability Branch, Recovery Section. If you are hurt in an accident caused by another person, such as an automobile accident, and require dental work, the PLAN will pay your PCD for the services you receive, and then provide DHCS information regarding the claim.

If you are injured at work, the services provided to you are payable under Worker's Compensation and NOT under this program.

It is to your advantage to let your PCD know if you have other dental coverage in addition to this program. Most carriers will cooperate with one another to avoid duplicate payments, but still allow you to make use of both programs. Coverage provided under this program is secondary to all other coverage. Benefits paid under this program are determined after benefits have been paid in any other dental care program. Be sure to advise your dentist of all programs under which you have dental coverage so that you will receive all benefits to which you are entitled. For further information please contact the PLAN's Member Services Department.

SECTION 21. MEMBERS RESPONSIBILITY AND DENTAL HEALTH MAINTENANCE

A MEMBER should take responsibility for knowing and understanding the rules and regulations of the PLAN and to abide by them in the interest of quality dental care. The PLAN encourages MEMBER's to actively participate in preventive health care programs run through the schools. All MEMBERS should learn about their dental condition(s) and should follow prescribed treatment plans.

The MEMBER should contact his or her primary care dentist to make a dental appointment. To maintain good oral health you should have an oral examination every year. On the day of the appointment, the MEMBER should arrive at the office five to ten minutes early in order to fill out the necessary paperwork. If the MEMBER cannot keep the appointment, the MEMBER is responsible for calling the dentist and rescheduling at least 24 hours in advance of the appointment.

Each MEMBER has the opportunity to work towards a healthy dental routine by requesting individual counseling from the Primary Care Dentist, adopting positive lifestyle choices, such as brushing with fluoride toothpaste, flossing, checkups, good diet, avoiding tobacco, not biting hard food, or not opening containers with teeth. Also MEMBERS are encouraged to attend classes held throughout the community addressing health education and promotion, and to read health education materials at each Primary Care Dentist's office.

MEMBERS are also encouraged to visit the PLAN's website at www.Libertydentalplan.com to obtain educational information related to oral health or contact the PLAN at (877) 550-3875 to receive a copy.

SECTION 22. PROMOTION OF A HEALTHY LIFESTYLE

The PLAN will ensure that the network of Primary Care Dentists perform preventive services, encouraging providers to conduct MEMBER education, and providing health education materials at each Primary Care Dentist's office.

SECTION 23. GRIEVANCES, COMPLAINTS AND DISPUTES

Any information regarding a grievance, dispute or complaint should be directed to the PLAN at:

LIBERTY Dental Plan of California, Inc.

SECTION 24. GRIEVANCE PROCEDURES

MEMBERS are encouraged to contact the PLAN or any PLAN PROVIDER office concerning any problem they may have experienced with any aspect of the PLAN or its PROVIDERS. The PLAN has a MEMBER grievances procedure to handle complaints or grievances by MEMBERS of the PLAN. MEMBER complaints or grievances may be made in person at the PLAN OFFICE, 340 Commerce, Suite 100, Irvine, CA 92602, from 8:00 a.m. to 5:00 p.m. Monday through Friday (holidays excluded), by telephone at (877) 550-3875 or (949) 223-0007, or in writing to Member Services at the above address, or on the PLAN's website at www.libertydentalplan.com. A grievance form is attached to this Combined Evidence of Coverage and Disclosure Form as Attachment "B" and is available at the PLAN office or any PLAN PROVIDER office. Staff will be available at the PLAN office or any PLAN PROVIDER office to assist MEMBERS in completion of this form. MEMBERS will receive written notification of receipt of their complaint/grievance within five (5) days. This notice will include the PLAN's contact person for their complaint. Additionally, the MEMBER will receive a response within thirty (30) days as to resolution of their grievance.

MEMBERS have the right to file a grievance if MEMBERS believe their linguistic needs have not been met. MEMBERS may also file a Request for Assistance to the Department of Managed Health Care after participating in the PLAN's grievance procedure for 30 days.

The PLAN will expedite the review of grievances for cases involving an imminent and serious threat to the health of the MEMBER, including but not limited to, severe pain, potential loss of life, or major bodily function. In cases that require expedited review, the PLAN shall immediately inform the MEMBERS in writing of their right to notify the Department of Managed Health Care of the grievance. The PLAN will also provide MEMBERS and the

Department with a written statement of the disposition of pending status of the grievance no later than (3) days from the receipt of the grievance.

For grievances involving the delay, denial, or modification of dental care services, the PLAN's response will describe the criteria used by the PLAN and the clinical reasons for its decision, including all criteria and reasons related to dental necessity. In the event that the PLAN issues a decision delaying, denying, or modifying the dental services based on whole or part on a finding that the proposed services are not a covered benefit under the MEMBER's contract, the PLAN will then clearly specify the decision the provisions in the contract that exclude the coverage.

See Attachment B for a Written Grievance Form

CALIFORNIA REQUIRED STATEMENT REGARDING GRIEVANCES and HOW TO CONTACT THE DEPARTMENT OF MANAGED HEALTH CARE FOR GRIEVANCE ASSISTANCE:

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your Health Plan, you should first telephone your Health Plan at **1-877-550-3875** and use your Health Plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your Health Plan, or a grievance that remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a Health Plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number (**1-888-HMO-2219**) and a **TDD line (1-877-688-9891)** for the hearing and speech impaired. The Department's Internet web site <http://www.hmohelp.ca.gov> has complaint forms, IMR application forms and instructions online.

SECTION 25. APPEALS

MEMBERS may appeal a grievance decision by first contacting the Plan at 877-550-3875. MEMBERS may appeal grievance decisions by requesting a Fair Hearing from the Department of Social Services by contacting (800) 952-5253. The PLAN will provide annual notification to MEMBERS concerning its grievance procedures as well as periodic notification to MEMBERS of all changes in the PLAN.

DHCS – Ombudsman

The California Department of Health Care Services (DHCS) is responsible for monitoring contractual compliance of all managed care plans who serve Medi-Cal beneficiaries. DHCS has established an Ombudsman Unit with a toll-free number (1-888-452-8609) to receive complaints regarding Medi-Cal managed care plans.

SECTION 26. FAIR HEARING

If you are dissatisfied with the resolution of your complaint or grievance, you may request a fair hearing from the State of California Department of Social Services. Your county social services department can assist you with this request. A fair hearing may be requested at any time during the investigation process; you do not have to wait until LIBERTY completes its investigation.

MEMBER has the right to the Medi-Cal fair hearing process regardless of whether or not a complaint or grievance has been submitted or if the complaint or grievance has been resolved, when a health care service requested by the MEMBER or PROVIDER has not been provided. The State Department of Social Services' Public Inquiry and Response Unit toll free telephone number is **1-800-952-5253**. Or the MEMBER may write to:

Office of the Chief Administrative Law Judge
State Department of Social Service
c/o The Department of Health Services
P.O. Box: 13189
Sacramento, California 95813-3189

You can represent yourself at the fair hearing, or be represented by a friend, lawyer, or any other person. If you want someone else to represent you, you are responsible for making the arrangements. To get free legal assistance, call the Public Inquiry and Response Unit of the Department of Social Services at the toll-free number listed above. This unit can also help with general information about the fair hearing process.

Requesting a hearing will not affect your eligibility for coverage and you will not be penalized for seeking a hearing. We will maintain confidentiality during the entire grievance process.

SECTION 27. PUBLIC POLICY PARTICIPATION

The PLAN seeks interested MEMBERS to participate in the Public Policy Committee for the purposes of establishing the Public Policy of the PLAN. This committee consists of three (3) PLAN MEMBERS, one (1) PLAN PROVIDER, the PLAN's Dental Director, and the PLAN's Administrator. PLAN MEMBERS and the PLAN PROVIDER shall each serve a three (3) year term while the PLAN's Administrator and Dental Director will be permanent committee members. The PLAN will reimburse MEMBERS \$100.00 per meeting for their participation.

The Public Policy Committee meets quarterly to review the PLAN's performance and future direction of PLAN operations. Information regarding PLAN operations, grievance log reports, financial operations and the like will be made available to PLAN MEMBERS for review and comment. Recommendations and reports from the Public Policy Committee will be made to the Plan's Board of Directors at the next regularly scheduled Board meeting. Receipt of the recommendations and any reports from the Public Policy Committee shall be considered by the Board of Directors and duly noted in the Board's minutes.

Membership in the Public Policy Committee is voluntary, and will be determined by the entire Public Policy Committee with special consideration being made to the ethnicity, geographic location and economic status of the MEMBER applicants. A Public Policy Committee membership application is attached to this Combined Evidence of Coverage and Disclosure Form as **Attachment "C"**. The PLAN will also annually mail applications to all MEMBERS for membership on the Public Policy Committee as positions on the committee become available.

See Attachment C for a Public Policy Committee Application

SECTION 28. ORGAN DONATION

The donation of organs and tissues provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. If you are interested in organ donation, please speak with your physician. Organ donation begins at the hospital when a patient is pronounced brain dead and identified as a potential organ donor. Any individual who is at least 18 years of age, or an individual who is between 15 and 18 years of age (only upon the written consent of a parent or guardian), has the choice making an organ donation.

An organ donation may be made only by the following:

- 1) A document of donation signed by donor.
- 2) A document of donation signed by another individual and by two witnesses, all of whom signed at the direction and in the presence of the donor and of each other, and state that it has been so signed.
- 3) A document of donation orally made by a donor by means of tape recording in his or her own voice.
- 4) If a document of donation is attached to or imprinted on a donor's motor vehicle driver's license, the document of donation shall comply with the above-mentioned criteria. Revocation, suspension, expiration, or cancellation of the license does not invalidate the organ donation.
- 5) A document of donation may designate a particular physician or surgeon to carry out the appropriate procedures.

SECTION 29. MEMBER CONFIDENTIALITY

Except as permitted by law, MEMBER information is not released without your or your authorized representative's consent. MEMBER-identifiable information is shared only with our consent or as otherwise permitted by law. The PLAN maintains policies regarding the confidentiality of MEMBER-identifiable information, including policies related to access to dental records, protection of personal health information in all settings, and the use of data for quality measurement. We may collect, use, and share medical information when Medically Necessary or for other purposes as permitted by law (such as for quality review and measurement and research.)

All of the PLAN's employees and PROVIDERS are required to maintain the confidentiality of MEMBER information. This obligation is addressed in policies, procedures, and confidentiality agreements. All PROVIDERS with whom we contract are subject to our confidentiality requirements. In accordance with applicable law, you have the right to review your own medical information and you have the right to authorize the release of this information to others.

A STATEMENT DESCRIBING OUR POLICIES AND PROCEDURES FOR PRESERVING THE CONFIDENTIALITY OF MEDICAL RECORDS IS AVAILABLE AND WILL BE FURNISHED UPON REQUEST. To request a copy, please call our MEMBER Service Department.

See Attachment D for LIBERTY's Privacy Statement

SECTION 30. ARBITRATION

Should any dispute arise over the terms of this Agreement or administration thereof (except for claims of medical malpractice), which cannot be resolved to the satisfaction of both parties, either party may submit the dispute to binding arbitration. Under binding arbitration, both parties give up their rights to have the dispute decided by jury in a court of law. Either party may refer the dispute to the American Arbitration Association for resolution.

Binding arbitration is the final process for resolution of any dispute or controversy between a MEMBER or personal representative of the MEMBER, or as the case may be, and the PLAN over the services provided to the MEMBER under this Agreement for any dispute or controversy concerning the construction, interpretation, performance or breach of this Agreement. MEMBER agrees that such disputes shall be submitted to binding arbitration under the appropriate rules of the American Arbitration Association (“AAA”).

Each and every disagreement, dispute or controversy, which remains unresolved concerning the construction, interpretation, performance or breach of this Agreement, or the provisions of Covered Services under this Agreement, arising between a MEMBER or eligible dependent or personal representative of such persons, as the case may be, and the PLAN, its employees or PLAN provider or their medical groups, partners, agents or employees, shall be submitted to binding arbitration in accordance with this Section whether such dispute involves a claim in tort, contract or otherwise. This Section does not include disputes involving medical malpractice. It does include any act or omission which occurs during the term of this Agreement but which may give rise to a claim after the termination of this Agreement.

The MEMBER seeking binding arbitration shall send a written notice to the PLAN at the PLAN's address. The notice shall contain a demand for binding arbitration and a statement describing the nature of the dispute, including the specific issue(s), involving the amount involved, the remedies sought and a declaration that the party seeking binding arbitration has previously attempted to resolve the dispute with the PLAN. For assistance, the MEMBER may also write the AAA at 3055 Wilshire Blvd., 7th Floor, Los Angeles, CA 90010-1108, or telephone (213) 383-6515.

In the case of extreme economic hardship, a MEMBER may request from the PLAN information on how to obtain an application for full or partial assumption of the MEMBER's share of fees and expenses incurred by the MEMBER in connection with the arbitration proceedings.

Attachment D: NEW MEMBER **CONTINUATION OF CARE INFORMATION** **and PRIVACY STATEMENT**

Dear New LIBERTY Dental Plan Member:

If you have been receiving care from a dental care provider, you may have a right to keep your dental care provider for a designated time period. Please contact LIBERTY Dental Plan's Member Services Department at (877) 550-3875, and if you have further questions, you are encouraged to contact the Department of Managed Health Care, which protects HMO consumers. You can contact the Department of Managed Health Care by telephone at its toll-free number, 1-888-HMO-2219, or at a TDD number for the hearing impaired at 1-877-688-9891, or online at www.hmohelp.ca.gov. You may also obtain a copy of LIBERTY Dental Plan's policy on continuation of care from our Member Services Department. This policy does not apply to a newly covered enrollee covered under an individual subscriber agreement.

You must make a specific request to continue under the care of your current provider. LIBERTY Dental Plan is not required to continue your care with that provider if you are not eligible under our policy or if we cannot reach an agreement with your provider on the terms regarding your care in accordance with California law.

PRIVACY STATEMENT

We protect the privacy of our members' health information as required by law, accreditation standards and our internal policies and procedures. This Notice explains our legal duties and your rights as well as our privacy practices.

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

We collect, use and disclose information provided by and about you for health care/dental payment and operations, or when we are otherwise permitted or required by law to do so.

For Payment: We may use and disclose information about you in managing your account or benefits, and paying claims for medical/dental care you receive through your plan. For example, we maintain information about your premium and deductible payments. We may also provide information to a doctor/dentist's office to confirm your eligibility for benefits or we may ask a

doctor/dentist for details about your treatment so that we may review and pay the claims for your dental care.

For Health/Dental Care Operations: We may use and disclose medical/dental information about you for our operations. For example, we may use information about you to review the quality of care and services you receive, or to evaluate a treatment plan that is being proposed for you.

We may contact you to provide information about treatment alternatives or other health-related benefits and services. For example, when you or your dependents reach a certain age, we may notify you about additional programs or products for which you may become eligible, such as individual coverage.

We may, in the case of some group health plans, share limited health information with your employer or other organizations that help pay for your membership in the plan, in order to enroll you, or to permit the plan sponsor to perform plan administrative functions. Plan sponsors receiving this information are required, by law, to have safeguards in place to protect it from inappropriate uses.

As Permitted or Required by Law: Information about you may be used or disclosed to regulatory agencies, such as during audits, licensure or other proceedings; for administrative or judicial proceedings; to public health authorities; or to law enforcement officials, such as to comply with a court order or subpoena.

Authorization: Other uses and disclosures of protected health information will be made only with your written permission, unless otherwise permitted or required by law. You may revoke this authorization, at any time, in writing. We will then stop using your information. However, if we have already used your information based on your authorization, you cannot take back your agreement for those past situations.

Your Rights: Under new regulations that will be effective in April 2003, you will have additional rights over your health/dental information. Under the new rules, you will have the right to:

- Request restrictions on certain uses and disclosures of your protected health/dental information. However, we are not required to agree to a requested restriction.
- Receive confidential communications of protected health/dental information, using reasonable alternative means or at an alternative

address, if communications to your home address could endanger you.

- Inspect and copy protected health/dental information. To obtain a copy of such information, please send us a written request. You also have the right to amend the information if you believe it is incomplete or inaccurate. If we did not create the information, we will refer you to the source, such as your doctor/dentist.
- Receive an accounting of our disclosures of your medical information, except when those disclosures are made for treatment, payment or health care/dental operations, or the law otherwise restricts the accounting. We are not required to give you a list of disclosures made before April 14, 2003.
- If you have agreed to receive this notice electronically, you are still entitled to a paper copy upon request.

Complaints

If you believe your privacy rights have been violated, you have the right to file a complaint with us, and/or with the Federal Government. You will not be penalized for filing a complaint.

Copies and Changes

You have the right to receive an additional copy of this notice at any time.

We reserve the right to change the terms of this notice. A revised notice will be effective for information we already have about you as well as any information we may receive in the future. We are required by law to comply with whatever privacy notice is currently in effect. We will communicate any changes to our notice through subscriber newsletters, direct mail or our website, www.libertydentalplan.com.
