Frequently Asked Questions

Are these HMO or PPO plans?

LIBERTY provides Dental HMO plans for California-based employer groups and their employees.

Do I have to choose a dentist?

No, you may visit any contracted primary care dentist in the Family Dental HMO network. Each family member may choose a different contracted primary care dentist for their dental needs. LIBERTY will include the nearest dental office on your ID card. This office is optional only.

How do I see a specialist?

If you need to be seen by a Specialist, LIBERTY requires pre-authorization. In most cases, your primary care dentist will submit a referral on your behalf.

Are there waiting periods to be met?

No. Once you are an active member, you are eligible to receive care right away.

How will I know what my copayment will be?

Please refer to the Copayment Schedule for a full description of covered procedure codes and applicable copayments. For questions, ask your network dentist before you receive services and/or call the LIBERTY Member Services at **888.844.3344**.

What is the Pediatric Out-of-Pocket Maximum?

The Pediatric Out-of-Pocket Maximum means the maximum amount of money that is paid out-of-pocket for a Pediatric Enrollee for Benefits under this Program during a plan year. If more than one Pediatric Enrollee is covered, the financial obligation for covered services is not more than the Family Out-of-Pocket Maximum amount. Once the amount paid by all Pediatric Enrollee(s) equals the annual Family Out-of-Pocket Maximum, no further payment will be required by any of the Pediatric Enrollee(s) for the remainder of the Plan Year for covered services.
