

# Visión y Compromiso™

Dear Governor Newsom,

Visión y Compromiso is an organization that works with the immigrant community and represents hundreds of promotoras and community workers in California. Promotoras are advocates for their communities and work to ensure that health equity is achieved in our state.

**We have heard about a dental proposal being considered at the State and we strongly oppose it. Please do not support the elimination of our managed care dental plans in Los Angeles County. It would be devastating.**

We represent community members who are low-income; and most are immigrants and refugees. We work with several Denti-Cal plans in this program. One stands above all of them and that is LIBERTY Dental Plan. LIBERTY's coverage is affordable and high quality.

LIBERTY understands how to serve our diverse communities in a linguistically appropriate and culturally competent manner. We work closely together and LIBERTY goes above and beyond.

Many of our community members do not qualify for oral health benefits. LIBERTY does not ignore them. LIBERTY provides community education and it is free for everyone. The company also participates in oral health education programs and provides free dental screening and education in schools.

**Please lend your strong leadership and all voice to activity help us all ensure this valuable program is not cut. Affordable and high quality dental care for thousands of children, adults, and families cannot be taken away from us.**

Sincerely,
