American Indian Advisory Tribal Council

What is the American Indian Advisory Council?

The council will provide Oklahoma's American Indian and Alaskan Native (AI/AN) communities an opportunity to give feedback on Liberty's key operations to ensure we best serve members within the AI/AN communities.

American Indian Advisory Council Responsibilities:

- Assist in strengthening partnerships with Tribes, Tribal Dental Care Providers, AI/AN Members, and Liberty.
- Ensure AI/AN members and Native communities' oral health needs are well represented.
- Provide recommendations on policy issues and strategies like access to care, care delivery, and outreach efforts.
- Providing feedback and experiences to improve oral health and access for OK AI/AN communities.

Meeting Details:

- Meetings are held quarterly.
- Agenda provided **7-14** days prior to meeting date.
