Member Advisory Committee (MAC)

What is the Member Advisory Committee?

The committee will provide members the opportunity to give feedback on Liberty's key operations to ensure we best serve members within Oklahoma's communities.

Member Advisory Responsibilities:

- Assist in strengthening partnerships between our members and Liberty.
- Help ensure OK members and OK communities' oral health needs are well represented.
- Provide recommendations on policy issues and strategies like access to care, care delivery, and outreach efforts.
- Providing feedback and sharing experiences to improve oral health and access for OK communities.

Meeting Details:

- Meetings are held quarterly.
- Committee members will receive compensation for participating in quarterly meetings.
